MIXED-GENDER: The Swim Ontario statement on mixed-gender swimming is set out as follows:

Notwithstanding Rule SW 10.1 adopted by the Technical Swimming Committee of Swimming/Natation Canada, Swim Ontario will consider requests for sanction for meets that provide for mixed gender swimming in the following circumstances:

The host seeks an exemption from the requirement to swim events in gender separated events, on the following basis *(choose appropriate circumstances)*:

- Due to facility or time limitations, swimming separated by gender would not permit all swims to be completed while offering reasonable opportunities to swim for all participants, and in particular on an equitable basis for swimmers of each gender.

Mixed gender swims may also be permitted when, due to a missed swim, it is necessary for a referee to seed a swimmer in a heat of the same or shorter distance, for competitors of the opposite gender, on an exception basis.

In spite of this rule, any swimmer who achieves a record time at any level (regional, provincial, national etc, whether age group or open) will not be recognized for that record unless the coach has advised the referee prior to the start of the session that there is a possibility of the record being broken, and the referee insures that the swimmer competes with competitors of the same gender for his/her heat.

In the event that mixed gender swims are permitted pursuant to this policy, the results must still be posted separately by the gender of swimmers.

ELIGIBILITY:

All athletes must be registered as Competitive swimmers with SNC, or any other amateur swimming organization recognized by FINA. A valid SNC registration number is required for all Canadian swimmers, and entries without a SNC registration number will be declined entry *(choose appropriate circumstances)*:

- Preference will be given to the host club first and all clubs participated in the 2016 meet. All others on a first serve basis.
- Meet Management reserves the right to further limit individual swims to 3 per session and to limit heats if necessary to keep session times to within 4.5 hours.

TIME SPLITS:

The procedure for obtaining an 'Official Split' now requires that coaches make the request to the session referee or meet management on the "Official Split Request" form prior to the race. The split for the lead-off leg in relays will still be regarded as an official split and therefore no request by coaches is needed for relays. However, in the new 'mixed gender' relays, lead-off times/splits are not considered "official splits" as per international practice.

Meet management requires that any coach wishing to rely on a time achieved by the swimmer for an interval shorter than the total distance of the event shall so advise the Referee prior to the commencement of the session (or event) in question.
