Age Groups: A competitor's age is their age as of the first day of the competition

Mixed-Gender: The host seeks an exemption from the requirement to swim events in gender separated events, on the following basis:

Due to facility or time limitations, swimming separated by gender would not permit all swims to be completed while offering reasonable opportunities to swim for all participants, and in particular on an equitable basis for swimmers of each gender.

Mixed gender swims may also be permitted when, due to a missed swim, it is necessary for a referee to seed a swimmer in a heat of the same or shorter distance, for competitors of the opposite gender, on an exception basis.

In spite of this rule, any swimmer who achieves a record time at any level (regional, provincial, national etc., whether age group or open) will not be recognized for that record unless the coach has advised the referee prior to the start of the session that there is a possibility of the record being broken, and the referee insures that the swimmer competes with competitors of the same gender for his/her heat.

In the event that mixed gender swims are permitted pursuant to this policy, the results must still be posted separately by the gender of swimmers.

Official Splits: The procedure for obtaining an 'Official Split' now requires that coaches make the request to the session referee or meet management on the "Official Split Request" form prior to the race. The split for the lead-off leg in relays will still be regarded as an official split and therefore no request by coaches is needed for relays. However, in the new 'mixed gender' relays, lead-off times/splits are not considered "official splits" as per international practice. Meet management requires that any coach wishing to rely on a time achieved by the swimmer for an interval shorter than the total distance of the event shall so advise the Referee prior to the commencement of the session (or event) in question.

Format: Age groups will be 17 & over, 15-16, 13-14, and 12 & under
All 12 & under events are Time Finals.
A and B Finals for 13-14, 15-16 and 17 & OVER
Events with less than 16 entries will be A final only.
Finals will be swum: A final followed by B final, youngest to oldest.
Warm-up at 5:30pm, Start 6:30pm
400s will swim as Time Finals with the fastest heats at Finals
The 800 is an open event for women and the 1500 is an open event for men.
Swimmers must meet the time standard appropriate to their age group.
Heats will be swum fastest to slowest. Results will be scored by age group.
