- **Relay events:** 10 & Under, 11 & 12, 13 & 14, 15 & over

## SEEDING

  - Meet management reserves the right to swim freestyle events 400m or longer with two swimmers per lane except the fastest heat of each event.
- Seeding for relay events will be slowest to fastest

## RELAYS

- All relays will be swum as timed final.
- Teams may move up no more than two (2) swimmers from a younger age category to fill a relay.
- Coaches must have relay forms filled in and returned to the Clerk of Course prior to the start of the session.
  - Complete relay team information submitted electronically is appreciated

## OFFICIAL SPLITS

Meet Management requires that any coach wishing to rely on a time achieved by the swimmer for an interval shorter than the total distance of the event must advise the Referee prior to the commencement of the session in which the event is to occur. The "Official Split Request" form must be provided at the same time.

The split for the lead-off leg in relays will still be regarded as an official split and therefore no request by coaches is needed for relays. However, in "mixed gender" relays, lead-off times/splits are not considered "official splits" as per international practice.

## MIXED GENDER

The host seeks an exemption from the requirement to swim events in gender separated events, on the following basis:

*Due to facility or time limitations, swimming separated by gender would not permit all swims to be completed while offering reasonable opportunities to swim for all participants, and in particular on an equitable basis for swimmers of each gender.*

Mixed gender swims may also be permitted when, due to a missed swim, it is necessary for a referee to seed a swimmer in a heat of the same or shorter distance, for competitors of the opposite gender, on an exception basis.

In spite of this rule, any swimmer who achieves a record time at any level (regional, provincial, national etc, whether age group or open) will not be recognized for that record unless the coach has advised the referee prior to the start of the session that there is a possibility of the record being broken, and the referee insures that the swimmer competes with competitors of the same gender for his/her heat.

In the event that mixed gender swims are permitted pursuant to this policy, the results must still be posted separately by the gender of swimmers.

## CHECK-IN AND SCRATCHES

### POSITIVE CHECK-IN

There will be a positive check-in for events 400m or longer. Please confirm with the Clerk of Course within 20 minutes of the start of the session.

All finalists and alternates are required to check in with the Clerk of Course within 20 minutes of the start of the session.

### PRELIMINARY & TIMED FINAL EVENTS

Scratches from preliminary and timed final events are requested at the Clerk of Course desk 30 minutes prior to the start of each session.

### PENALTY

No penalty shall be imposed for late or day-of scratches

### FINALS EVENTS

All scratches from finals must be provided to the Clerk of Course within 30 minutes of posting results for each event in the preliminary session, to allow proper seeding and notification of alternates.

## PENALTY

Scratching from finals after the final scratch deadline or failure to participate in an individual final event will result in a \$50 fine for each offence. This applies to initially named finalists and alternates and is payable to Lakeshore Swim Club. Failure to pay before the swimmer's next event will exclude the swimmer from any further participation in the meet.
