## ROWAN'S LAW – CONCUSSION MANAGEMENT

The *Rowan's Law* requirements came into effect on July 1, 2019. Swim Ontario takes the health and well-being of all participants in sport and recreation activities very seriously and is committed to helping all in the Swim Ontario family succeed in swimming and other activities. Parents, coaches, officials, volunteers and swimmers all have a role to play in ensuring the safety of all participants at sanctioned competitions in Ontario. We must create an environment that encourages and motivates participants to assume responsibility for their own safety and the safety of others.

Until further protocols or procedures are in place, the concussion management protocol will take effect for all participants at a Swim Ontario sanctioned competition that are involved in an incident resulting in a significant impact to the head, face, neck or body. If symptoms of a possible concussion are present the participant shall be removed from any further Swim Ontario sanctioned activity until they receive Swim Ontario approval upon clearance, in writing, by a medical professional with experience in concussion treatment/protocols. For full details and resources on Rowan's Law and Concussion management protocols click [HERE](#).

## OPEN AND OBSERVABLE ENVIRONMENT

Swimming Canada and Swim Ontario is dedicated to providing a safe and inclusive environment, which involves promoting Open and Observable Environments. This means making meaningful and concerted efforts to avoid situations where a coach/official/staff member, etc. might be alone with an athlete. All interactions between an athlete and an individual who is in a position of trust should normally, and wherever possible, be in an environment or space that is both 'open' and 'observable' to others.

## EVENT PHOTOGRAPHY/VIDEOGRAPHY

In order to minimize risk, all photographs and video taken at Swimming Canada/Swim Ontario sanctioned competitions, whether taken by a professional photographer or videographer, spectator, team support staff or any other participant, must observe generally accepted standards of decency. Under no circumstances are cameras or other recording devices allowed in the area immediately behind the starting blocks during practice or competition starts, or in locker rooms, bathrooms, or any other dressing area. For full details click [HERE](#)
